Letter No-1863 **Date**01.08.2026

Product Installation Certificate

This is to certify that **Smart way Electronics Pvt Ltd**, an Electronics and Semi conductor R&D company located at Patna, Binar has designed, Manufactured and successfully installed **"IOT Based Solar Siren System"** at 10 different locations of Saranda and Porahat forest region of Dept. of Forest and Environment, Govt of Jharkhand on 18th July 2026.

The product offers an innovative, eco-friendly solution to prevent elephant and other wild animals' intrusions in the villages to protect family, property and harvest. The product is currently working fine and we found their work very satisfactory.

We wish success in their entire endeavors.
