Product Installation Certificate

This is to certify that **Smartway Electronics Pvt Ltd**, an Electronics and Semiconductor R&D company located at Patna, Bihar has designed, manufactured and successfully installed **"IOT Based Solar Siren System"** at five different locations of Chaibasa Forest Division (Dept. of Forest and Environment, Govt of Jharkhand) on 10th July 2026.

The product offers an innovative, ecofriendly solutions to prevent elephant and other wild animals' intrusions in the villages to protect family, property and harvest. The product is currently working fine and we found their work very satisfactory.

We wish success in their entire endeavours.

Aditya Narayan 30/07/26

(Aditya Narayan)
Divisional Forest Officer
Chaibasa Forest Division.
